Drawn Map.

Bayston connects with Inman + Washington Sts, and becomes Essex St, ending at So. Station.

Bayston (if it is Bayston) runs from one end of Common ~~along~~ across Inman + Washington.

Washington St. From Bayston to Faneuil Hall, with Summer St. ^{junction} indicated.

Wash. St. floats at ends - runs across Bayston(?) and Park St.

Floating bit of Central Artery indicated

No Central Artery.

No Commonwealth.

D Bit of Commonwealth Ave.

(Miss Sheehans' structured, (drawn) map is really quite a mess, street wise as she knows some names, but doesn't seem to connect them w. any logical meaning street pattern. The Base map makes her knowledge seem a little more organized though very sketchy.)
