OPEN SPACES

Scollay Sq.

Chas. St. Rotary
HaymarketSTREETSMASS AVE. broken line boundary –
crossed only by Storrow Dr.

{I}

No Mass. Ave.

Storrow runs from Mass. to Chas. St. Rot.

{I}

No Storrow.

Chas. St. connects w/Beacon and runs a
little past Rotary.

{C}

Chas St. a line that connects
with 2 unnamed sts. (Impossible
to guess what she has in mind.)
Maybe are in Cambridge.

Beacon runs from Chas. to State House & Park St.

{C}

Beacon connects w/ Park St. then
floats off

Park St. Connects Beacon & Tremont.

{C}

Park St. runs from Wash., across Trem.
to Beacon.

Tremont from Boylston to Park St.

{C}

Tremont from Boylston (?) to Park St.

Base Map (Interview)	Drawn Map.
Boylston connects with Tremont & Washington Sts. and becomes Essex St. Ending at So. Station.	{C} {I} Boylston (if it is Boylston) runs from an end of common across Tremont & Washington.
Washington St. from Boylston to Faneuil Hall, with Summer St. juncture indicated.	{C} {I} Wash. St. floats at ends – runs across Boylston(?) and Park St.
Floating bit of Central Artery indicated	{I} No Central Artery.
No Commonwealth.	{D} Bit of Commonwealth Ave.
	(Miss Eberhardts structural, (drawn) map is really quite a mess, street wise as she knows same usual, but doesn't seem to connect them w. any logically running street pattern. The Base maps makes her knowledge seem a little more organized, though very sketchy.)
