SUBJECT: CHANGE IN LABORATORY NAME
To: All Laboratory Personnel
From: Jay W. Forrester
Date: September 20, 1951

Our Laboratory has now become an independent laboratory in the Department of Electrical Engineering under the administrative supervision of the Division of Industrial Cooperation. Our name has been changed from the Electronic Computer Division of the Servomechanisms Laboratory to the Digital Computer Laboratory. The following are the Laboratory Officers:

Gordon S. Brown, Faculty Advisor
Jay W. Forrester, Director
Robert R. Everett, Associate Director
Harris Fahnestock, Executive Officer
John C. Proctor, Personnel and Security Officer

The new name of the Laboratory should now be used on all memorandums and publications, replacing the former heading. New stationery and forms will become available gradually and the use of obsolete forms should be avoided.

Director
