ACTION

1. Staff Turnover

This item was deferred for discussion at the May 6 Meeting.

Farr will provide Group Leaders with lists of new hires and terminations since July 1, 1956.

2. Personnel

Papian and Farr presented inquiries received from outside the Laboratory for personnel trained in electronics and computers.

No method was found for official action on such inquiries. Group Leaders will use their individual discretion.

3. Symposium

Everett announced a symposium May 1 and 2 at the Boston Museum of Science arranged by the Optical Society of America and the IRE -- the symposium covers image formation and measurement with electronic techniques.

4. Division 6 Party

Announcement was made of the May 3 Division Social event -- staff members were encouraged to support the event which has been arranged by the Division Activities Committee.

After the meeting it was determined from the Activities Committee that McVicar, now stationed in Kingston, is no longer an active member of the committee and has been replaced by Sergio of Group 66.

5. Release of Unclassified Material

There was a brief general discussion of the new procedure for release of unclassi-
