ACTION

1. ECCM Meeting

Brown and Farr reported on the expected limitation of Lincoln representatives at the ECCM meeting; an ordered list of Division VI delegates has been prepared by Groups 61, 67, and 68.

Everett is willing to abide by the decision of Freedman, who is allocating slots to Lincoln delegates, as long as Division VI has at least one representative at the meeting. Everett will discuss with Radford the advisability of a Lincoln staff briefing on ECCM.

2. Kingston

Morriss reported that present Group 66 population at Kingston is 3 Lincoln persons and 7 associates; present indications are that Group 66 removal from Kingston can be completed 15 January; the tape printer is scheduled to be moved to Syracuse in November; IBM may want the card machines and possibly the space. Informal discussion ensued concerning reassimilation of Group 66 Kingston personnel at Lincoln.

Everett approved the closing down of the Kingston-Lincoln office.

3. Zraket's Trip

Zraket reported off the record concerning his recent trip.

4. SAGE Book

Farr reported on a meeting with Richmond and Harman which formalized the procedure for RAND obtaining material for the proposed SAGE book; RAND will utilize the Publications Office as the single source of material; Division VI participation will start at the point where RAND has drafted material for the book and presents it for criticism and approval.
