Second Congregational Church, West Newton.
Allen & Collens, Architects.

Install one temporary window in the West Newton Church. It is understood that the contract will be made for all of these windows after this one has been criticised, and approved by the committee.
Install this window at the front end of the Church nearest the entrance,—preferably on the south side.

Price $125.00

no yellow grune in the borders. Crosses to be
closers in tone, and as to have blues
where yellows have been. The double
are to be varied. Some to have centre
borders red, and side borders blue, and
some reversed, and others to varied with grunes
and reds with purples. Not any undue variation.
