Church is Gothic.

Sequence -- The history of Inspiration

Six windows on the south east side of the church, and five on south west.
Beginning at the entrance on the south side.

1. Abraham, the Pilgrim who first found the True God.
2. Isaiah and Hosea, who first conceived of God as Love.
3. The Immaculate Conception (already installed)
4. The birth of Jesus
5. His Baptism and Conception of Life work
6. First Preaching and Call of Disciples.

On the Northwest side.

7. His Healing Ministry
8. Jesus as the Good Shepherd, His Comfort to the Sorrowing.
- 9.
10. His Ascension & Mission to the Apostles
11. The Redeemed Host, or the History of Redemption Completed.

#8 is the window in question, and the theme might be partly decorative, worked out from Psalm 23 and John 10.

Price of window already installed was \$800.00.

The only other competitor is Kimberly Company, New York.

Photographs of window sent, each lancet eighteen inches wide, figures out a scale $\frac{1}{2}$ " to the foot.
