General Information  
On account of the light would need to use glass for the field which  
would give a maximum amount of light--yet contain some color, and  
have a good devotional effect. Chapel owned and administered by the  
Jesuit Fathers. In the upper half use four medallions emblematic  
of the Sacraments--Baptism, Confirmation, Eucharist, and Penance.  
Cost not to exceed \$100.00

For addresses of those to be notified as window progresses, see other side.
