General Information This Church is a tall Gothic building. Windows get the sun in the morning and there is a suggestion of foliage around them, especially the two outside groups.

St. Peter and St. Paul represented
make
new suggestions of St. George & St. Joan of Arc.
Window H. B. Chicago June 12 1900

Keep window deep and rich in color. Provide the dragon with plenty of fire!

For addresses of those to be notified as window progresses, see other side.

University Church, Chicago, Dr. Ames.

Met Dr. Ames Shaw's office.

We are to prepare a new sketch with Joan of Arc and St. George in two central openings, replacing present standing figures. Grisaille background, and grisaille throughout the four side lancets.

Price \$1200.00. We are to set work. No great hurry. Full rich color.
