Design wanted Staging

Shipping address St. Paul's Church, Tivoli, N.Y. Blue-prints Received

Bill to Mrs. Henry Parish. Templets

Photos of Cartoons Mailed

General Information Mrs. Parish liked the photograph of the window in Crompton. Mr. Connick suggests some treatment of the Virgin and Child as a central motive, including the Adoration, and possibly other related subjects. Mrs. Parish says she "would like different shades of purple to be the predominant color like the old glass at Chartres and Notre Dame and the lovely rose window in Clement Ferrand in the Cathedral."
