Templets

Photos of Cartoons Mailed.

General Information: Four medallions, replicas of those in the Indiana
Limestone Building, Bedford, Indiana, with addition of an outside
band of an inch or so to fit into their leaded work. See blueprint and
tracing. Bands to be of glass of a texture not too pronounced, and
possibly in whites and golds. Background of medallions red, border
blue, and figures in blue with touches of cool and warm whites
throughout the medallions.

For addresses of those to be notified as window progresses, see other side.
