General Information Present windows should be stippled with paint and varnish.
Mr. Mulnix said: "I would like a figure of the Christ as nearly life size
as possible - simple - with a welcome - outstretched arms; "Come unto Me."
I wish it might be made with very few extraneous designs around it. The
less the better. I would like to have them see nothing up there save
Christ.

For addresses of those to be notified as window progresses, see other side.
