General Information Mrs. Buckham has a Tiffany (?) medallion - Watts "Hope", and is very fond of it. She is 91 years old, but very active.

"Building faces north, and there are no obstructions to cut off the light, and as one is looking upward, the window will face directly against the light from the sky."

"Windows throughout the Library building will be the International Casement sash with leaded plain glass."

~~*Mr. Buckham wrote that contract calls for completion and insertion of windows by Feb. 1, 1931;~~

Mr. Connick said: "Clear sky from the north - must be light glowing whites (seedy?) - painted in toned patterns - pure color - oranges - blues - golds -
