General Information Grisaille pattern, similar to those in Saint Philip's Church, Crompton, Rhode Island. (See photo and lumiere.)
This window is a memorial to two women, - mother and daughter.
Description sent with design: "You will note that the design is based on a motif similar to my windows in St. Philip's Church, Crompton, R.I. At the same time I have enriched this design with symbols of Faith, Hope and Charity, which give it more distinction as a single Memorial Window."

For addresses of those to be notified as window progresses, see other side.
