Position in Church: Library door.  

Height from floor: Protection Glass  

Points of compass: Rabbet  

Quality of light: Wood  

Inscription:  

Design wanted: Staging  

Shipping address: Blue-prints  

Bill to: Templets  

Photos of Cartoons Mailed:  

General Information: Window serves to commemorate the Waterman memorial and at the same time designate the entrance to the Library. The wide border would be in pure blues, enriched with twelve golden six-pointed stars—symbols of the Twelve Tribes. Small accents of brilliant ruby and cool green complete the color scheme. The field would be of various light tints of the glass known as English Cathedral.  

For addresses of those to be notified as window progresses, see other side.
