General Information Coat of Arms.

Mr. Connick on June 4, 1934, brought back from Mrs. Swan a framed drawing of the shield, an unframed drawing and pencil notes - we are to keep these all together. The only change in the sketch is that there is to be a space left between the bar and the shield. The ribbon and name are both out.

Send out to Mrs. Swan's residence and get the entire light and put in a piece of cardboard to keep the weather out while we make the shield.

For addresses of those to be notified as window progresses, see other side.
