General Information 5 doors ~~about 5 x 11"~~ now amber (and plain glass
light tints needed) I feel that something like your Sandwich Beatitude
Cross installed would show up like a million.
.....
Sizes which Jim took: 6 1/8" wide and 13 1/8" high - set in wood -
1/2" rebate - full size.
.....
Jim says Father McMahon wants brilliant glass with some color in these.
They are now in leaded glass - a clear diamond in center - surrounded by
amber.

Notes written with design: "For the doorlights, I have designed various historic forms of the Cross: The Anchor Cross of Hope, the Monogram Cross, the eight-pointed Cross of the Beatitudes, and the Celtic and the Papal Crosses. I have in mind very simple color schemes; the field in rough textured water-white slabs and the Cross forms in various tints of light gold."
