General Information Make 2 sketch suggestions.
Church has an open trussed ceiling construction; a light bull tone color scheme in the interior. ~~Mr. Whitehouse says, "we all seem to have the feeling that the window should be more or less blue in its prevailing color."~~

(gave price suggestions for other windows in letter of Sept. 21, 1938).

Sent photos of Stockton and New Orleans.

For addresses of those to be notified as window progresses, see other side.
