General Information See general information on Sheet #2355

The present window is devoted to St. Louis represented in solemn procession, with the holy relics.

New window to be devoted to Saint Louis, the Crusader, and Saint Bernard of Clairvaux.

Complete description in file

C.J.C.'s New York Report after seeing the first two windows in place: the blue backgrounds in the second window are on the delicate side. More strong blues will not be amiss in the other windows. The Waitt Augustine window is better.

For addresses of those to be notified as window progresses, see other side.
