Monterey, Cal.

Photos of Cartoons Mailed .....

General Information To be designed in harmony with the two roses in the same wall.

For addresses of those to be notified as window progresses, see other side.

This panel is designed in a similar manner to the small rose - with the decorative vine pattern supporting ~~another symbol of St. John the Divine, the scroll of his Gospel.~~ In the full size it would bear the text, "In the beginning was the word".  
The Descending Dove of the Holy Spirit.
