design for your south aisle window, and are sending the rough color sketch herewith.

As planned, it is devoted to the Baptism of Our Lord, with Saint John the Baptist holding his symbolic crossed staff, standing on the shore and baptizing Our Lord from the shell of baptism.

Above is the Descending Dove of the Holy Spirit.

This sketch is intended to suggest color and light in action, and all of the exquisite detail of line and form, as you have seen it in the earlier window, is left for development in the full size drawings and the actual glass.
