General Information Father Sullivan saw our Bass River windows, and wants his to be like those - squared off space for subject.

West window - symbol of The Resurrection.

Three north windows - beginning at east wall - Calvary (Redemption); Bethlehem; Trinity. (See Paul's pencil suggestion with layout)

Fields to be very light, without paint, while the subject-panels and accents are in full color.

Send sketches to Mr. Phillips.

Trinity

...now completed the color sketches for the windows in the Sacred Heart Convent Chapel.

...the subjects are devoted to the Nativity, Calvary (Redemption), and the Trinity in the windows of the north elevation, and the Resurrection in the east window.

We have followed the general plan of our windows in the Chapel of Our Lady of the Highway, Bass River, which Father Sullivan liked, and although these sketches are rough impressions of color and light in action, all the exquisite detail of line and form to be found in those windows, will be developed in the full size drawings..."
