~~The Miracle of Raising Jairus' Daughter.~~ The Marriage Feast of Cana.

**Marlowe writes: "Please don't solder joints, just tack them on kites and l ear on upper section; had to chisel in for upper bar, but I suppose it had to be so, almost into the cusp. Wires 2 inches down too far. This was written after setting the Saxon on the Mount."**

**The 6th window, or the one nearest the main entrance to the nave is partially covered by the balcony. Only about 2/7 of the window is visible below the balcony and about the same space including the stone tracery above the balcony. This will have to have a special treatment, so keep this in mind as we develop the typical design for the group, so that the parts which do show will be in harmony with the others.**

The three remaining aisle windows...  
As planned, they are devoted to the Baptism  
of Our Lord by Saint John the Baptist, the  
First Miracle at the Wedding Feast of Cana,  
and The Resurrection of Our Lord.
