General Information... Make templates of the window which was taken out of
the church in Manchester, Massachusetts, and supply to
Schwamb in Arlington.

Install the window from their carpenter's scaffolding. Wood stops
to be furnished by the frame-maker. Install them with brass screws. Furnish
and install the T-bars and other reinforcing bars.
If we supply protection glass, the cost would be \$310 more - 1/29/54.

If there should be any saving, give them the benefit.

Joseph A. LaRoche, 79 Sudbury Street, Boston. Tel. LA3-2091 -
price for installing \$136.26.
