" Donors are partial to red, which is good because the Childs clerestory next to it is mainly blue."

Figures should, in general, be looking toward the chancel.

May 21, 1957.

Clerestory window, devoted to the Prophets...As planned, ~~Isaiah~~ is represented at the left with the tongs and coal of fire with which the angel cleansed his lips. Next, Jeremiah holds the prophetic scroll and chains of bondage. Ezekiel has the torch of divine zeal, and Amos the shepherd's crook.

We have in mind emphasizing the reds in this group, and we are confident it will make a very lovely and inspiring window..."
