We have completed our study of the design for another window in the Chapel of Saint Elizabeth's House, and are sending you the color sketch herewith.

As planned, it is devoted to Saint Frideswide of Oxford. She is represented with staff and book, and her traditional arms below.

The field is designed to harmonize with the other windows, and a space is provided at the base for a memorial inscription.
The contract said "act in place"
but we have had no delivery
more and the windows are
all paid for.
