General Information To be devoted to Saint Bride of Kildare.

See photographs and Kodachromes of windows in place.

We have completed our study of the design for Saint Bride of Kildare, and are sending you the rough color sketch.

She is represented with the abbess' crozier, and bowl of milk.

Below is the oak tree symbol, recalling that they lived in the grove of oaks, which later became Kildare.

The field is designed to harmonize with the other windows. A space is provided for ~~an~~ inscription.
