General Information The one on the Gospel side - ~~The Lily~~ North Crown & Palms. " " " " Epistle " - ~~Myrtle~~ South Crown & Scroll.

Crowns seem appropriate near the chancel, so we have in mind the Queen of Martyrs' crown and palm, which could be nicely balanced by the Queen of Prophets' scroll and crown; ~~or if you prefer, the Star of David above the crown as Queen of Patriarchs, or the crown and olive of the Queen of Peace. ..."~~
