General Information In view of its position and the choir member to be Memorialized, we would suggest a scroll of music for the symbol. We are enclosing a rough sketch of what we have in mind.

(The window is in memory of a former choir member.

Note that this window is the same size and exposure as the window we are now making with the book and candle.

NOTE: WHEN SETTING THIS WINDOW, LLOYD SHOULD GO TO THE CHURCH OF THE MESSIAH IN Providence to find out about the trouble with the last window installed. See letter of 5/3/61.
