General Information **To have angels, something like those in Northminster, Evanston, in rather free medallion shapes, and texts appropriate to the entry to the Church -**

"Surely the Lord is in this place" -

"Come let us worship him"

In memory of **Vernus E. Shira**

vestibule

In memory of **George Edmund Leslie**

"Surely the Lord is in this in this place"

"Come let us worship him"

Angels face toward body of church

The vestibule windows are in much the same way, with kneeling Angels of the Heavenly choir bearing ancient musical instruments, with the text, "Surely the Lord is in this place", and "Come let us worship Him". Again, there are fine alternate texts if you prefer, such as, - "Enter into his gates with thanksgiving... and into his courts with praise".
