General Information

These are designs for the two larger windows, representing figures of the Sacred Heart for the Epistle side, and Our Lady for the Gospel side.

A group of four panels are representative of the twenty-six smaller windows. We suggest devoting them to symbols from the Litany of the Sacred Heart on the Epistle side, and symbols of the Litany of the Blessed Virgin Mary on the Gospel side.

This Litany in "The Augustinian Prayer Book"

Allowing \$20.00 per foot for side windows Total would be \$5,200.00 (260 Feet)
This would leave for sanctuary windows \$2,800.00 (57 feet for the two @ \$49.12)
\$8,000.00

("As the hart panteth after the fountains of water; so
"Our Lady of Mount Carmel" panteth after thee, O God") Psalm 41 The Sacred Heart

The Blessed Virgin Mary, standing, with arms extended, is an emblem of the Sacred Heart, her love and sympathy for all. Jesus Christ, standing, is pointing on His chest, with his left hand, to an emblem of the Sacred Heart. His right hand is welcoming all to Him and realize the infinite love He has for all.

Seven Carmelite Nuns at her feet (Lamp of Enlightenment, Open Book of Knowledge) symbolize the seven virtues and the Carmelite motto: "Lead us unto Death"
the Carmelite House, Oleum Infirmorum) Below kneels Saint Margaret Mary, by whose revelations The Universal Love of Christ was deeply felt and taught, and this symbol conceived.

Above, the crown is used to symbolize the idea, Mary, Queen of Heaven

The Crown is used to indicate Kingship of Christ, His supreme spiritual victory.
