Outside door panels 75 - 125 ea.

Inside 75 - 100 ea.

Side panels 75 - 100 ea.

Del. Date: 7/9/62
The lunette over the front entrance and the two side windows are treated as a unit, devoted to Our Lord and His Angels.

Christ is represented at the center of the transom in an attitude of welcome, with members of the Heavenly Choir grouped around Him.

Angels of praise with musical instruments, cymbals, trumpets and harp are designed in the side panels, with scrolls bearing texts from the Te Deum, - "To Thee all angels cry aloud—Holy, Holy, Holy, Lord God of Sabaoth".

The entrance windows, though in full color, have abundant passages of lighter glass, silver and gold, to adequately illuminate the area.
