General Information.....

The Ascension.

He is designed in garments of brilliant white in the central panel, with Angelic attendants in the panels at either side. Below them are grouped the Apostles.

Above are symbols of the Ten Commandments, recalling the fulfillment of the Law and the Prophets (St. Luke 24:44), and the Dove of the Holy Ghost with the tongues of fire of Pentecost (The Acts 1:8).

We have eliminated the central pivoting section and have substituted metal ventilators in the lower part of each side panel, for better composition.
