General Information The 23rd Psalm.

The dominant figures represent Our Lord,- the Good Shepherd, and the Traveler through life.

~~The recipient of God's loving care is led through~~ green pastures beside still waters, - even though the valley ~~of the shadow of death (lightning).~~

A table is prepared for him in the presence of his enemies ~~(tiger)~~. (Substitute a Lion.)

The dominant colors are gold and green, with sufficient ruby and blue to maintain an overall harmony throughout the fenestration.

(We think the warmer color scheme, with an abundance of gold and green, is excellent and will complement the other windows.)

****

Critisism. Mrs.DeAmbrosio does not like Christ's face. ~~Mr.S. " we would restudy it in the cartoon, and let her know when it~~ is ready to be seen. Invite her,also Reverend Hampson.
