General Information..... "Mary and Martha"

It is devoted to the sisters, Mary and Martha, Our Lord's Friends of Bethany.

Martha holds a basket of fruit, while the pitcher and glass on the table, the house, and flowers suggest her scope of domestic interest. In the predella she serves Our Lord at table.

Saint Mary holds the vase of precious oils as she stands beside the prie-dieu, with symbols of the Divine flame, and again, the flower in a more spiritual aspect. Below she kneels in adoration before Our Lord.

The freely patterned fields are kept light to admit an abundance of illumination.
