Metal: Stone

Wood: __________________________

Exposure: South

Footage: __________________________

Inscription: None - Brass plates to be added to base later

Design wanted: __________________________

Staging: __________________________

Blueprints: __________________________

General Information: There are 4 lancets, two windows. They are on the second floor. On the stairs to this room, which is open to the room, are three small windows depicting the symbols of the Trinity with blue, red, blue for borders. These windows should be in keeping with the Trinity windows. The minister has suggested the 4 gospels in symbol form and with a quote from each in each lancet.
