Correspondence to Harriet Ware, 1915, 1917

WARE MC4

Sept. 24 - 1915 -

My dear Miss Ware: -

This will serve to
introduce to you Robert Ware Kaiser,
the crowning joy in our family of
six.

Please do not bother to acknowledge
this - there may be another and better
picture of him to send, one of these
days.

Yours very sincerely,

Charles S. Kaiser.

Palo alto California.

Jan. 18th 1917.

My dear Miss Ware:-

We were delighted indeed to get your kind note acknowledging our little card with our "Robin's" picture, and your own good new year's wishes.

You may be sure that so far, at least, the little fellow is doing credit to his splendid name. He is no less beautiful

than when that Kodak was
taken, last July, and he has
grown more and more happy,
sweet natured and lovable.
Even as the youngster of six, he is
the most delightful child we
have ever known or imagined.

I hope, too, that I may see you
again. I shall never forget the
little visit I had with you and
Mr. Ware. It comforts me greatly,
now that he is gone, and I
should like to speak, as well as

think, of what he was to us
boys personally and to the profession
we were adopting. My Eastern trips
have been few and far between,
but when I come I shall surely
hope to find you.

Mrs. Kauris joins me in the
best wishes, and the most sincere
appreciation of your note.

Yours very sincerely
Charles Sumner Kauris
