SYMPATHY LETTER TO PRESIDENT WALKER'S
WIDOW

1897 January 5

My dear Mrs. Walker;-

We, the young women students at the Institute, wish that we might in some adequate way express to you our heartfelt sympathy in this your bereavement.

Our own sorrow is deep, for our President had greatly endeared himself to us by his genial disposition and kindness of heart, and we

have always found in him
a sympathetic friend as
well as competent advisor.

Our deepest sympathies are
with you and your family
in this hour of affliction.

Yours very sincerely,

Florence A. Wood.
