Mrs. Henrietta Livermore,  
Yonkers, N. Y.

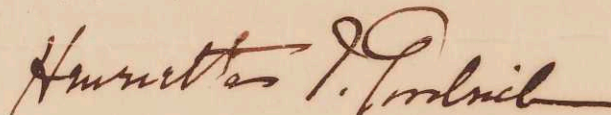

Dear Mrs. Livermore:

May I ask your co-operation to bring to the attention of members of your Branch of the A. C. A. the enclosed announcements of the Mary Lowell Stone and Domestic Reform League prizes, for the sums of \$100 and \$50 respectively?

It is the Committee's earnest hope that many members of the Association of Collegiate Alumnae may be roused to sufficient interest in the subjects suggested to compete for one or both of these prizes. A package of announcements for distribution will be mailed to you under separate cover.

With gratitude for any assistance you can give in stimulating the interest of your Branch,

Very sincerely yours,

Chairman.
