[ Postcard, Ellen Swallow Richards to Ethel Field Brooks ]

1910 July 22

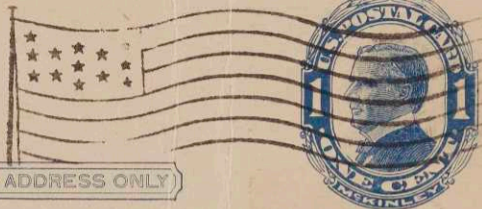

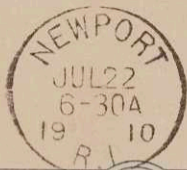

BOX 1 FOLDER 15

Miss Ridlon who is here almost  
next door says that she has the  
conference papers except yours.

I suppose the heat was too much  
for you but the cool milk should  
have refreshed you -

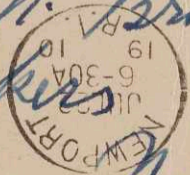

I am delighted at the change.

Yours  
Ellen H. Richards
