Streets

8C?

Back Bay section very complete for both maps, runs from ~~the~~ Mass. Ave. down to Garden with Bayston in both cases running into Tremont - (on drawn map, it doesn't begin until Copley Sq.) and Beacon running up past State House with a fixed junction with Wadsworth.

Storrow runs its length until it is replaced by Central Artery which ends at Market.

~~the~~ Storrow ~~or Artery~~ runs from Clarendon territory. No Artery.

Huntington runs from Symple into Copley.

No Huntington.

Base Map (Interview)

Drawn Map.

Arlington between Storrow & Boylston.

Arlington runs from Beacon way past Statter.

C

Chas. from Rotary to Boylston.

Chas. from Rotary to Statter

C

Beacon Hill streets well articulated running through Chas. to Storrow.

3C

~~No Joy.~~

~~Joy connects Beacon + Camb.~~

Joy connects Beacon + Camb.

Joy barely indicated.

C

Park St. along Common.

Park St. along Common.

C

Camb. from rotary thro Scollay to Washington.

No Camb. No Scollay.

|

Wash. St. misconnected to Beacon, joined to Scollay.

Wash. St. floating strip misconnected to Beacon.

C

State St. floating strip

No State St.

|

Haver St. crosses Artery

No Haver St.
