

Directed interview, Copley - Version 2

What catches your eye here, what stands out, interests you - what is most impressive?

What gives most pleasure, displeasure?

What do you like best?

What approach “ “ “ “ ?

How do you feel about parts A, B, C? (major sub parts?)

Is there anything different about Copley? How would you compare it with a space in another city? other Bost location?

Is this an important area for you? do you enjoy coming here? {marginal note: Personally?}

What was your first impression - how did it change?

What would you do to it if you could?

Describe, completely X, Y, Z (details: lampposts, etc). Now UVW (major parts of square).

How does Copley look @ night? From a car?

Describe & comment on:

space	signs
facades	st. f_____
skyline	sun & sky
people	color
traffic	sound
planting	smell
	floor
	stores
	bender, etc.
