SUBJECT: MAGNETIC MATERIAL CHARGES

To: H. B. Morley

From: H. Fahnstock

Date: December 28, 1951

In the past you have been charging the magnetic materials ordered by Papian's group to DIC 6345, our account 6345/4.

In the future these, together with equipment or materials for a ceramics lab or for von Hippel's lab., will be charged to DIC 6889, our account 6889/16R.

Thus all magnetic material purchases will be in one account analogous to our 6889/4R for storage tube work.
