SUBJECT: NEW FUNDS UNDER CONTRACT AF 19(122)-458, DIC 6889

To: H. B. Morley, R. A. Osborne

From: Harris Falmestock

Date: May 7, 1951

The account number DIC 6889 has been assigned for Air Force funds immediately available to this laboratory under Contract AF 19(122)-458. It carries with it DO-07. Approval must be secured for purchases of capital equipment in excess of \$2,000. Request for approval will be made to Dr. Foster who will process the request with the Air Force.

This account is to be used for outside purchase of equipment, materials or constructions as specified in letter from Mr. Forrester to Mr. Sage, dated April 12, 1951, which is on file in room 208. At the present, no M.I.T. salaries or wages will be charged to this account. The general purposes for which these funds will be used are as follows:

1. Parts and assembly for second storage tube bank
2. Expansion of facilities and new equipment for storage tube construction and research
3. Purchase or outside assembly of test equipment
4. Purchase or outside assembly of high speed switching equipment for terminal
5. Purchase of magnetic drums and associated circuits
6. Display systems

7. Additional Flexowriter equipment for tape preparation
8. Conversion equipment
9. Power supplies for additional space.

Engineers should specify DIC 6889 and one of the above 9 categories when requisitioning material on this account.
