SUBJECT: GROUP LEADERS' MEETING, July 20, 1953

To: Group Leaders

From: David R. Brown

Date: July 21, 1953

Present: Jay W. Forrester, D. R. Brown, R. R. Everett, H. Fahnestock,
J. C. Proctor, C. R. Wieser, and P. Youtz

- Agenda:
1. Computer Demonstration on July 21
 2. Barta Building Telephone System
 3. Talk by Forrester for Non-Staff
 4. ADC Program

1. Computer Demonstration on July 21

Some Cape Cod display programs will be run on the computer on July 21 for Lincoln Laboratory staff members.

2. Barta Building Telephone System

A request will be made for a direct cable connection between the Barta Building and the MIT exchange. A telephone system similar to that now used in the Whittemore Building will be installed in the Barta Building.

3. Talk by Forrester for Non-Staff

Several requests have been submitted for another talk by Forrester similar to the one which he presented last February for non-staff members associated with the Cape Cod Program. Forrester plans to talk in another month or so after the Cape Cod System has been put into use.

4. ADC Program

A complete description of the first sector using the Transition Air Defense System is required by the Air Defense Command. This description will include information outside the scope of TM-20, including details on equipment and its location. The information is to be presented at a meeting in Colorado Springs during the week of August 17.
