ACTION

1. Briefing

Everett read notice from Director's Office concerning briefing by Headquarters, USAF, Operations Analysis Office, scheduled for 1:30 p.m., 21 March 1957 in A-166 presenting results of last year's country-wide ADC vs. SAC exercises and limited to Lincoln staff who have the need to know.

Group Leaders were requested to submit names to Farr, March 11.

2. Organization Changes

Everett announced formation of Group 68 with D. R. Brown as Group Leader -- the official title of this Systems Office Group is still under discussion.

Everett announced that effective immediately Group 61 is being integrated into the Jacob's subdivision -- the purpose of this change is to facilitate communications between Group 61 and the programming groups. For the time being, Group 63 will continue to report to Division Headquarters.

This action now supersedes the responsibility assignments set forth in administration memo 6A-192 dated July 18, 1956.
