Messrs. Dargin and Osborne visited the meeting and discussed the proposed affiliation of the local M.I.T. bargaining group with IUE.

3. FST-2

4. Trip

Corderman reviewed a forthcoming trip to England and Europe; arrangements have been made to visit representative computer installations.

5. Hiring

Proctor reviewed the current situation; there is a healthy degree of activity in staff interviews, but staff acceptances within present view will only approximately balance expected attrition and make a beginning on recruiting for the ADSID reserve.
