

Corner Highland
and Marquis Street.

#592.

Second Congregational Church, West Newton.
Allen & Collens, Architects.

Install one temporary window in the West Newton Church. It is understood that the contract will be made for all of these windows after this one has been criticised, and approved by the committee.

Install this window at the front end of the Church nearest the entrance, -preferably on the south side.

Price \$125.00

no yellow green in the borders. Cross as to the
lower and tone, and as to have blue
where yellows has been. The shields
are to be varied. Some to have centre
shields red, and side shields blue, and
some reversed, and to be varied with greens,
and reds with purple. Not very much
variation.
