General Information Santa Chiara, friend of Francis of Assisi. An
interesting incident in her light could be used which would carry on
their revelations of the Blessed Sacrament, as was done in the Holy
Grail. "Saint Clara's Convent was once molested by bandits, and she
took the Blessed Host from the Tabernacle and exposed it on a tower
of the gate. The bandits fell to the ground and retired in confusion.
Saint Clara was noted for her mother love to her nuns."
