General Information "The windows in the Billiard Room I suggested could be made representative of Mediaeval Games at the time of Shakespeare - Hawking, Kiteflying, The Troubadours, The Jongleurs, The Jugglers, Etc."

Footage: Two larger 2-panel windows over balcony (North elevation) - 20-0-0 (for the two windows).

Two smaller 2-panel windows on north elevation - 10-2-8.

Two 2-panel windows - East elevation - 28 feet (Total).

2 two-panel windows, 3rd floor balcony, East	\$700.00
2 larger two-panel windows over balcony	500.00
2 smaller two-panel windows on north	250.00

For addresses of those to be notified as window progresses, see other side.

Note sent with the sketches, April 2, 1931.

"For the Billiard Room I have suggested Mediaeval games of Shakespeare's time. These are indicated in pencil, - and I have in mind Hawking, Kite Flying, Troubadours, Jongleurs, Jugglers, etc. Some of them are very narrow, and will have only small single figures without the medallions, more in the manner of the windows in Mary's Room."
